AN ALLIANCE OF TRUST

**Establishing win-win relationships
leading to successful ventures**

Indo Japan Consultants Pvt. Ltd. (IJC) is one stop service consultant that provides consulting in high growth areas.

IJC has access to relationships nurtured over several decades in Industry, Government and Financial Institutions as well as experts with international repute.

We help Japanese companies to establish business in India, carry out market study, help implement entry strategy and provide operations support wherever needed.

Our techno-commercial experts have experience of carrying out major initiatives into successful ventures with leading Japanese companies such as Fujitsu group of companies, Yokohama India Pvt. Ltd., Nippon Carbide, Hitachi, Brother and Ricoh.

In addition, we are guided by Mr Keiji Nakajima, a well known consultant. His impressive client list includes Fujikura Ltd., Nomura Plating Co., Mitsubishi Research Institute, Koide Company Ltd., Daiichi Sankyo Company Ltd., Tsukada Riken Industry, Nippon Carbide Industries and many more. We can provide references on request.

Let us come together for shaping "MAKE IN INDIA"!
